MACKAY REGIONAL COUNCIL

Our suite of kids e-Resources from Digitales is a favourite with our patrons and covers many learning areas.

LOGAN CITY COUNCIL LIBRARY

USER STATISTICS

Access your collated monthly user statistics via our easy-to-use portal.

Personalised and available via login, you can access all your e-resource statistics in the one place.

View, filter and export data - as well as view upcoming renewal dates and request a renewal with one click!

TRAINING & PROMOTIONAL MATERIALS

Help inform your staff, members and students and access a wide range of materials direct from our website.

As well as standard materials we can share and generate social media content to connect your audience to your e-resources. We can tailor face to face training for your staff as well as group information sessions for your users.
